

Dear Constantine:

Thank you again for an informative presentation that your group gave at the RPA class. Taking time out of your busy schedule to come and speak to the class about an area of your expertise is very helpful to the students.

I cannot tell you how much I enjoy your enthusiasm and interest in being a guest speaker. Please find enclosed a small token of my appreciation for being a great guest speaker.

If I can ever be of assistance in any of your endeavors, you need only ask and I am there.

Again, thank you,
